

Finament.Application

The diagram illustrates the structure of the Finament.Application. It features a large, light blue rectangle with a dashed border. Inside this rectangle, at the top, is the text 'Finament.Application'. Below this text is a smaller, solid light blue rectangle with a thick black border. This inner rectangle contains three elements: the word 'Interfaces' on the left, and two smaller, solid blue rectangles with black borders on the right. The first of these smaller rectangles is labeled 'Api', and the second is labeled 'Infrastructure'.
